Are you passionate about guiding NEET UG aspirants toward their dream medical college? Do you have experience in **student counselling** and **NEET UG admission processes**? If yes, we'd love to have you on our team!

ABOUT NEETRANKPRO

NEETRankPro is an AI-powered NEET UG counselling platform that helps students predict their NEET rank, shortlist colleges, analyze previous year's cut-offs, and make informed counselling decisions for MBBS, BDS, AYUSH, and other medical courses.

●Key Responsibilities

- Guide students and parents regarding NEET UG counselling
- Explain All India Quota (AIQ) and State Counselling processes
- Assist students with choice filling and college selection
- Counsel students based on rank, score, category, and budget
- Follow up with leads and convert enquiries into admissions
- Build trust through genuine, personalized guidance
- Maintain student records and update CRM regularly
- Stay updated with MCC guidelines and state schedules

●Eligibility

- Bachelor's degree in any discipline
- Excellent communication in English and Hindi
- Good knowledge of NEET UG admissions & counselling
- Experience in educational/admission counselling preferred
- Freshers with strong NEET UG knowledge encouraged to apply

●Required Skills

- Strong counselling and convincing ability
- Understanding of MBBS, BDS, AYUSH & allied admissions
- Familiarity with MCC & state counselling processes
- Computer proficiency (MS Office, Sheets, CRM tools)
